It is a tremendous and very special work and I pray to Allah-subhan-hu-wa-ta’ala that brother Ata Abbas’ daughter Syeda Sana Naqvi keeps up with this kind of efforts and work all her life in the way of Allah-subhan-hu-wa-ta’ala with the grace of Ahl-ul-bait (a.s).

When I was a high school student at Al-Murtaza Sunday School, I got a project to prepare a Quran Picture Book for the toddlers. After the completion, my teacher appreciated it much and pointed out that we may introduce the book to our kids in Sunday school. We presented this book to our Ulama in order to receive their opinions. I am grateful to Allama Razi Jafar Qibla that he went through the book in detail and suggested the necessary improvements adding value to the book.

I am also grateful to Qibla Ijmal Asghar Naqvi for his review and appreciation.

I am grateful to my elder sister Syeda Maryam Naqvi who edited many pictures & designed the title.

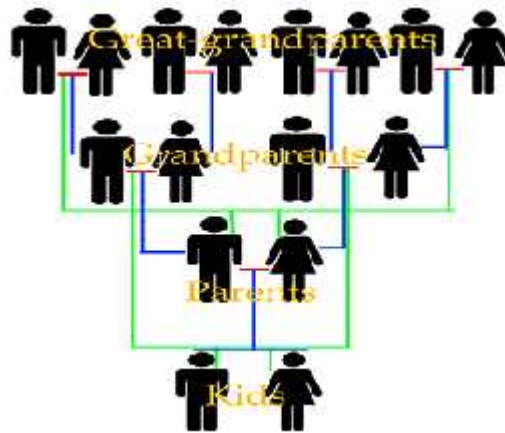

May Allah (swt) and Masoomeen (as) bless all of us to get guidance from Quran in our lives.
